

## At PDEA

The devotees of Vitthala spread spirituality in PDEA's English Medium Primary School, Khara-di. To acquaint students with the heritage of our nation's culture, Ashadhi Ekadashi celebrations were held by the school online on June 30 which were attended by the students from their homes.

Through the abhangas (devotional songs) of Lord Vitthal, Saint Tukaram and Saint Dnyaneshwar, the importance of Ashadhi Ekadashi and fasting was explained to the students. Everyone was dressed to their best in colourful ethnic attires.

The students' zealousness to make short videos was heart-warming for all to watch. Parents too delightfully joined in the celebration.
